Year: 1444 Hijri Qamari

## **Preface:**

We previously signed an Agreement of Collaboration with the Ministry of Information and Culture and the Ministry of Education regarding Hotel and Tourism. Considering the need for enhancing joint collaboration and strengthening coordination between both sides, we will sign this agreement and conceal the past one. The Technical and Vocational Education and Training Authority provides specialized and expert students and learners to society through its educational centers. However, we cannot solve individual challenges by merely describing the importance of Technical and Vocational Education. It requires the collaborative effort of governmental and private sectors, considering policies, management, leadership, specialization, capacity, and governmental and private sectors.

The Ministry of Information and Culture, as the manager of tourism in the country, based on their priorities, strategic goals, and needs of the labor market at tourism, wants to strengthen a Hotel and Tourism institute under the formation of the ministry. In order to establish a strong and effective relationship and develop the field of Hotel and Tourism, we sign this Agreement of collaboration between both sides.

## **The base of the Agreement:**

This agreement is signed as evidence of mutual collaboration between both sides to achieve joint goals such as education, training of experts in Hotel and Tourism Parts, and standardizing activities of the institute.

## **Goals:**

1. Collaboration and Coordination between both sides to support and develop the fields of Hotel and Tourism;
2. Identifying the responsibilities of both sides, especially in the field of Hotel and Tourism Institute;
3. Training experts for the labor market in the fields of Hotel and Tourism.

**Characteristics of the institute:**

1. Name of the institute: Institute of Hotel and Tourism.
2. Study period: Two years (13th class till 14th class).
3. Fields of study: Hotel and Tourism.
4. Place of establishment: Kabul City.
